Kessingland Women's Institute

Kessingland WI has around 36 inspiring Women members. Meetings are held on the 2nd Thursday of each month at Kessingland Working Men's club, starting at 7:30pm

At our 13th June meeting we sang Jerusalem.

We then discussed the annual meeting with Gillian Dyer who went to the AGM at the Royal Albert Hall. The dental health matters resolution was passed by a majority and no opposition.

Our main speaker was Pauline Shipley who demonstrated floral arrangements with supermarket purchased flowers and out of her garden. She donated her arrangements for the raffle and gave an arrangement to each of the committee members as a thank you for their hard work over the past year. She described herself as a "plonker" where she buys flowers and puts them straight into a vase.

Our monthly competition was a floral arrangement in a teacup. We had 7 entries this month and the results were as follows:

First place: Sandra Warner
Second place: Sue Mickel.
Third place: Margaret Parker

Our Judge was our national delegate, Gillian Dyer.

For the bloom of the month, we had 8 entries. The results were as follows:

First place: Margaret Brooke
Second place: Lynn James
Third place: Sandra Warner.

Members whose birthdays was this month were presented with our very own craft club made birthday cards. We also presented Pauline Shipley with a gift token to say thank you for her demonstration.

It was nice to see our president Karelyn Smithson back for half the meeting and she reports she is feeling good.

Craft Group are doing wet felting.

Walking Group: the walk is to Carlton Marshes.

Reading Group are reading "in a thousand different ways" by Cecilia Ahern.

Lunch Club are going to Chef's Fayre Café at Marram Green on 2nd July.

Our July meeting is on Thursday 11th July. This meeting is open to all. The talk is on Search and Rescue with Elaine Glendinning. The competition is "A Search and Rescue themed wordsearch". This is to be your own work.

Nursery Visit to Oulton Broad Mini Zoo

Our Nursery children enjoyed their first school trip to Oulton Broad Mini Zoo. The children loved seeing all the different animals and they even got to feed and hold some of them! Everyone had a wonderful time and even the bus ride was incredibly exciting! Our youngest pupils all behaved impeccably well and made everyone in the school very proud. Everyone in the Nursery would like to thank the Parish Council for subsidising this fantastic visit.

Year 1 and 2 Visit to Africa Alive

Both Year 1 and Year 2 visited Africa Alive last term.

The Year 1 class learnt about identifying herbivores, omnivores and carnivores. They saw different animal skulls and had the chance to touch different creatures whilst learning lots of interesting facts about different animals.

The Year 2 class enjoyed a learning session with one of the zookeepers, who taught the children about different habitats and how animals have adapted to suit each one. They also had the chance to touch some interesting creatures. The children then enjoyed looking around the park and met Alex the Zookeeper, who told the children all about giraffes and even let some of the adults feed them!

Year 2 children perform at the Marina Theatre

Our Year 2 children performed at the Marina Theatre along with two other schools as part of a Story Worlds Project, organised by the Literacy Trust and High Tide.

The children had been working hard in lessons preparing for the big performance and although there were a few nerves backstage, as soon as the music started the nerves disappeared and the children performed brilliantly, and the audience were treated to a wonderful performance.

Year 3 and Year 4 Visit to Benacre

Our visit to Benacre started with a talk from the stockman who looks after the cows on the estate. We learnt about the different crops grown at the farm and what they are used to make. After that, the children got to experience pond dipping before going on a bug hunt. We discovered some really interesting things!

After lunch, we went for a walk in the forest and looked for different types of leaves. We used them to try and identify the trees in this area. We found a badger's home, heard some beautiful birds singing and even saw a few deer running around too!

The children had a fabulous time whilst learning lots of interesting things during the visit.

Year 5 visit Norwich Cathedral – Sacred Science

Year 5 attended Norwich Cathedral for a 'Sacred Science' day. They looked at different photos of the cathedral and talked about different light sources and shadows. They then looked for different light sources within the cathedral and used compasses to identify the north side.

The stained-glass windows were fascinating, and the children were able to identify different Bible stories within them.

After lunch, they explored arches and why they are so strong. The children then had a go at building their own arches - this required great teamwork!

They also had the opportunity to create their own stain glass windows.

The children were full of awe and wonder and really enjoyed spending time in the cathedral.

St Edmund's Church – Raise the Roof Project

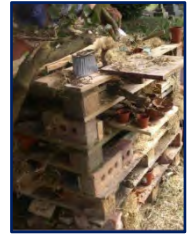

The children at Kessingland Church of England Primary Academy have been working with St Edmund's Church to support the National Heritage Fund 'Raise the Roof Project'.

This strong community partnership has enabled the children to take part in a number of different projects this year.

Bug Houses

Last year, the children created a bug house in the churchyard. The bug house continues to attract wildlife into the churchyard and is enjoyed by many in the community.

The churchyard also has a number of hedgehog boxes to provide a safe space for the hedgehogs to rest, hibernate and breed.

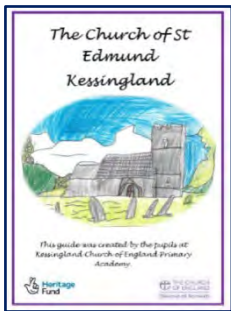

Raise the Roof Banner

A competition was held in school to design a banner to share the 'Raise the Roof' project with the community.

The banner was designed by one of our pupils and sat proudly on the scaffolding and the entrance to St Edmund's Church.

Children's Guide to St Edmund's Church

Our Year 5 pupils created a visitor's guide full of information and beautiful drawings of different parts of the church.

The pupils visited St Edmund's Church to complete their own research and find out more information from Reverend Mandy. They also took digital photographs to use to help them create accurate drawings.

We hope the visitors are enjoying reading our guide to St Edmund's Church!

Broadcast

Throughout the project, a group of pupils have created their own broadcasts sharing with the local community and beyond, the progress of the 'Raise the Roof' project.

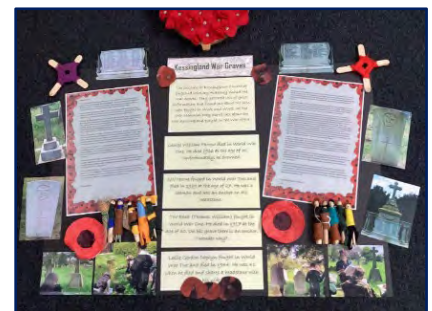

There are four broadcasts in total, and these have been shared on YouTube, social platforms.

Displays in the Churchyard

Kessingland Church of England Primary Academy completed some incredible artwork depicting the wildlife in Kessingland Churchyard. They also shared some information they learnt about War Graves in Kessingland. These are in the new display boards in Kessingland Churchyard.

Time Capsule

The new roof project is a moment in history for the village of Kessingland.

The church has been in the community since 1436 and we hope with the new roof it will be protected and part of the village for many years to come.

The School Council have created a time capsule that shows what Kessingland Church of England Primary Academy and the Kessingland community is like today. The time capsule has been hidden in the rafters of the new roof to be found in the future.

Dominic the Thatcher

The children in Years 5 and 6 had a visit from Dominic the Thatcher. The children were given the privilege of learning all about the art of thatching. Dominic shared some of the tools and techniques involved in thatching a roof, shared some of his work and talked about the most recent project he has been working on at St Edmund's. The children were fascinated and enjoyed learning all about thatching.

St Edmund's Church

The children created this wonderful model of St Edmund's Church to celebrate the 'Raise the Roof' Project and to be displayed in St Edmund's Church. We hope it will be enjoyed by members of the local community and beyond.

Friends of Kessingland Primary Help us to fundraise by becoming a Co-op Member!

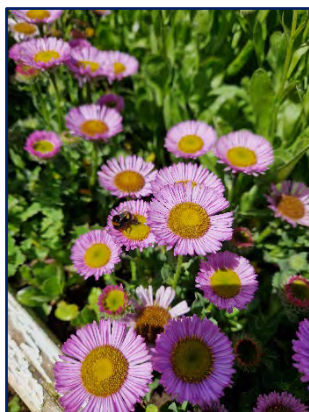

We are a small group of parents and teachers, who fundraise for the benefit of all the children who attend Kessingland Church of England Primary Academy. Our aim is to create opportunities for the children which would not be possible without fundraising. We currently only have a couple of outdoor benches and no shelter. The pupils have asked for a quiet outdoor sheltered area where they can eat lunch. We hope this area can be versatile and a multi-purpose area, for learning and fun. Spending time in green spaces or bringing nature into your everyday life can benefit both mental and physical wellbeing so we hope the area will help the whole school community feel more connected to nature.

Community Kitchen & Wildlife Garden

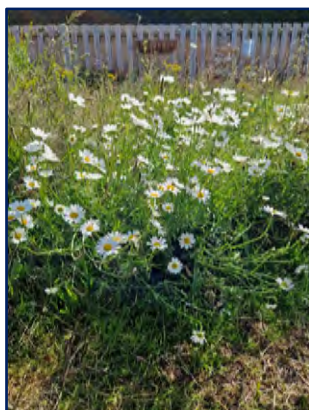

What a difference a bit of sunshine makes !! Now that summer appears to have arrived, our volunteers have taken advantage and worked extremely hard to get the new wildlife pond completed. In a couple of weeks or so it should all be ready for some final landscaping, and a very big "Thank You" for the lovely donation of pond plants, the pond is going to look fabulous and will hopefully be ready for when the Lowestoft in Bloom judges pay us a visit. Once the new pond is finished, we will concentrate on tidying up the existing smaller pond so the Garden will have 2 lovely water features. As well as working on the new pond, a variety of vegetable seeds have been sown and these are all growing nicely so soon we should have plenty of lettuce, beetroot, carrot, chard, tomato, beans, peas & leeks ready for picking (and some rhubarb too).

The fruit trees also look to be doing well so looking forward to a good harvest of apples, pears, plums and cherries (if the birds don't get there first of course).

We're also keeping our fingers crossed for the new fruit trees (apricot & peach) which were planted last year... so far, they are doing well.

Please remember that anything that is grown & harvested in the garden is for the Community so please do help yourself to anything that is ready. Any surplus will be given to the Community Fridge based in the library. Also, don't forget our Seed Swap box is available for donations of unwanted/surplus seeds, you're more than welcome to take any seeds in the box if you need them.

Our volunteers will be on site from 9am every Tuesday morning (weather permitting of course) so come along and see for yourself the progress being made in your Community Garden. If you have some spare time on your hands, come along and join the Volunteer Group, everybody is welcome.

Dogs are also welcome into the Garden, but please remember to keep them on leads & clear up after them.

Thank you for your support.

Well Minds East Suffolk

There is a wide range of mental health support available in East Suffolk but sometimes it can be difficult, especially at a time of crisis, to know where to look for this information. East Suffolk Council's new 'Well Minds East Suffolk' booklets contain mental health advice, information, and details of local support services for people of all ages in need of help with their mental health. 10,000 booklets have been produced and are being delivered to community settings across the district, including libraries, community centres and the Council's network of Warm Welcomes. You can also view the booklet at <https://eastsuffolk.co/wellminds>. The booklets were funded by the Community Partnership Board and two local Community Partnership

Volunteering Opportunities

MAKE A CHANGE BECOME A COUNCILLOR

Could you be a voice for your community?

Do you think that you would represent a different group of people on the Parish Council?

Do you have strong views about what Kessingland Parish Council should be doing?

Do you know what the Parish Council can do?

Kessingland Parish Council has a vacancy for a new councillor

If you're over eighteen years of age and live or work within Kessingland (or within three miles of the Kessingland boundary) and do not have any of the disqualifying criteria, then we would like to hear from you! Especially if you are different than the people already on the council. Kessingland is a diverse community, and the council wants to recognise, celebrate, and represent that diversity. The key qualities for a councillor are to keep an open mind and to listen to, learn about, care for and represent your community to the best of your ability.

Applying is easy, there is a short form which you can collect from the parish council or download online. Just complete and either email or drop it off at the council. You'll be invited to attend a Parish Council meeting (generally the second Wednesday each month) and tell the council more about yourself, what you can bring to the council and what you would like to achieve for the community.

If you are interested or want to know more, please speak to one of the current councillors or contact the council office. There is more info as well as information on a range of different local councillors nationally at:
